

Product information

PARATHOM® Classic A51 Filament Mirror Silver

Product benefits:

- Long lifetime of up to 15,000 h
- Low energy consumption
- Easy relamping thanks to compact design
- Instant 100 % light, no warm-up time

Areas of application

- General illumination
- Mirror Lighting
- Outdoor applications only in suitable luminaires

Product features

- Bulb crown coating: silver
- mercury free
- Lamps with innovative LED *filament technology

Most important technical data

Luminous flux / Candela	650 lm / n.n. cd
Nominal System Power	7 W
Rated System Power	7 W
Voltage	220-240 V
Luminous efficiency	92,86 lm/W
Colour temperature	2700 K
Dimmable	non-dim
Beam angle	300°
CRI	80
Dimensions (D/L)	60 / 105 mm
Energy class	A+
Energy consumption	7 kWh/1000 h
Lifetime (L70/B50)	15000 h
Guarantee	4 years
Packaging	FC
